We want for our children a range of learning opportunities as broad as the unknown range of these talents. We want a learning environment that nurtures these talents.

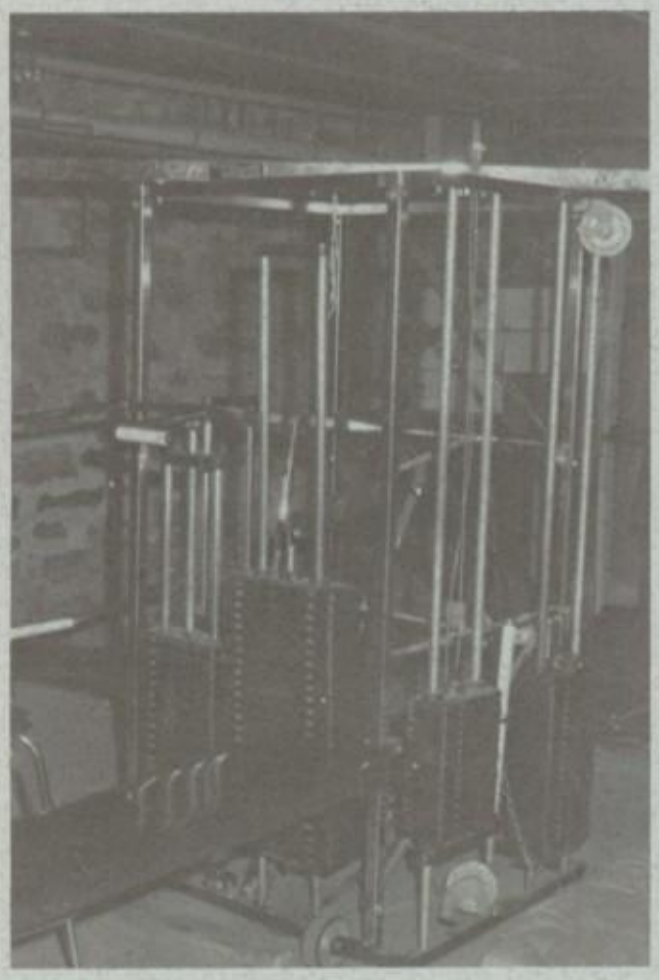
The American dream is dead. No longer does every boy plan to grow up to be president (he wouldn't even want to anyway). The rags to riches success story is out. Not every girl dreams of her own little vine covered cottage. Flag waving is out of style. Every life doesn't have a happy ending.

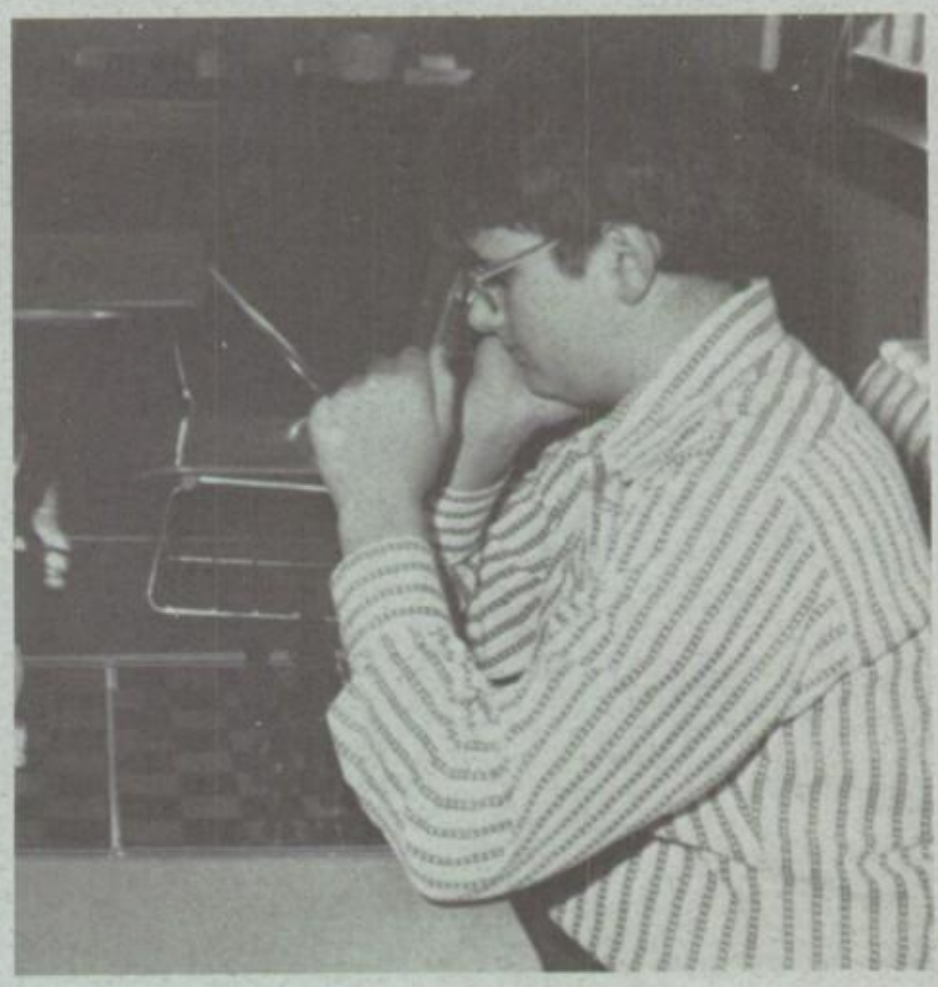
Youth looks at the world and finds it wanting. A new life style is coming.

We are not sure we want, but we know what we don't want---

We don't want another Vietnam-- Another war? Another useless, senseless war where Americans died, were maimed, were imprisoned. Oh, no we DON'T want that.

And we don't want to be manipulated by advertisers anymore to buy more and more and more. No more keeping up with the Joneses. Absolutely not.



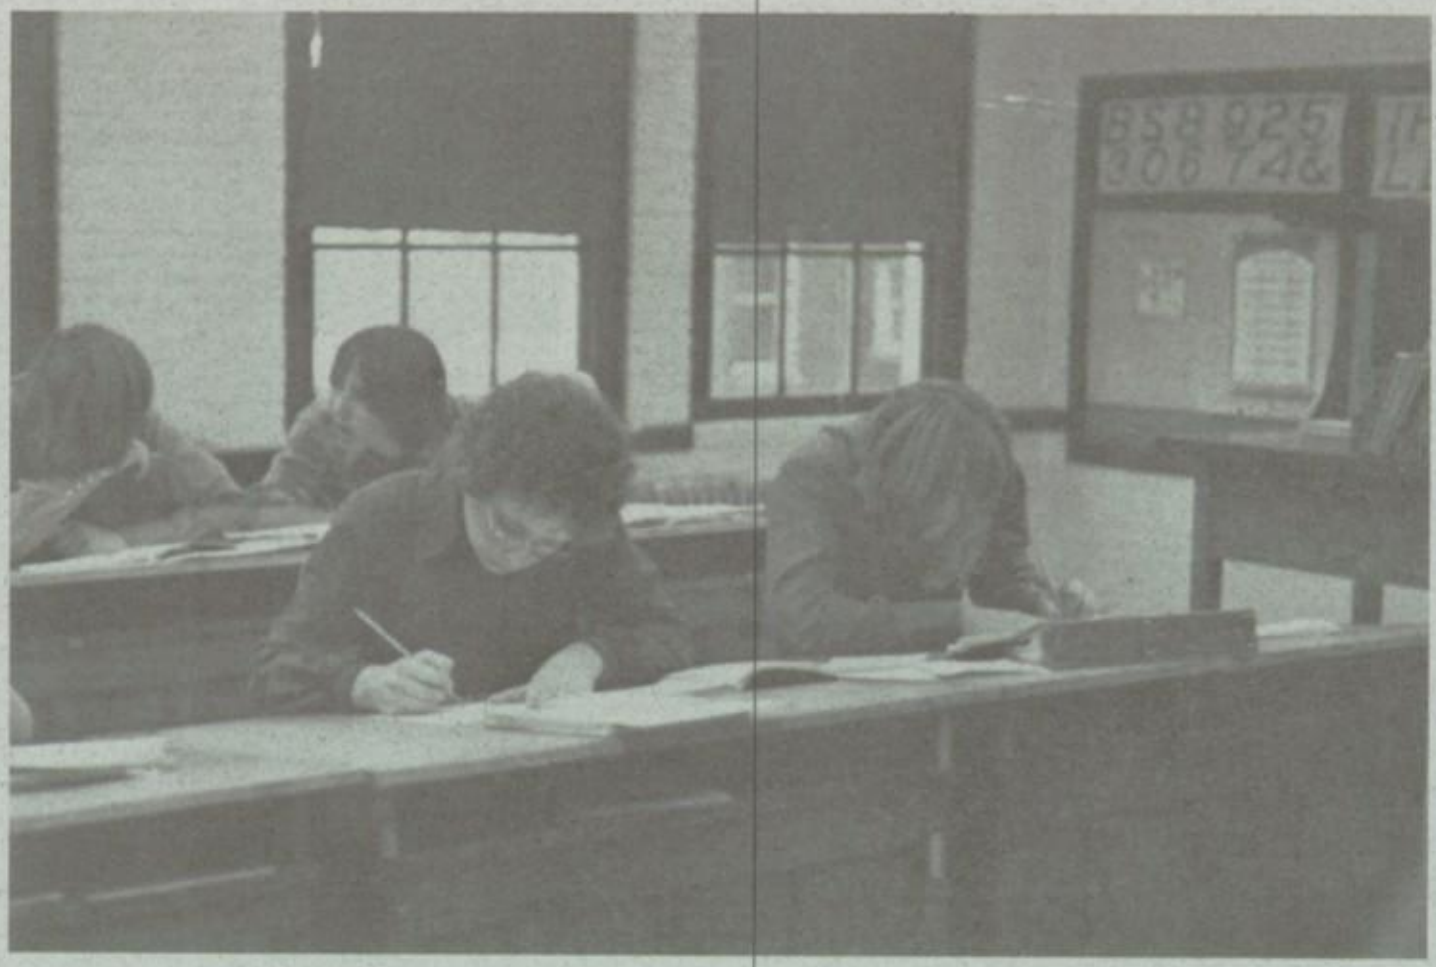


We don't want to work for work's sake -- no more 60 hour weeks -- even 40 is too long BECAUSE there's more to life than work.

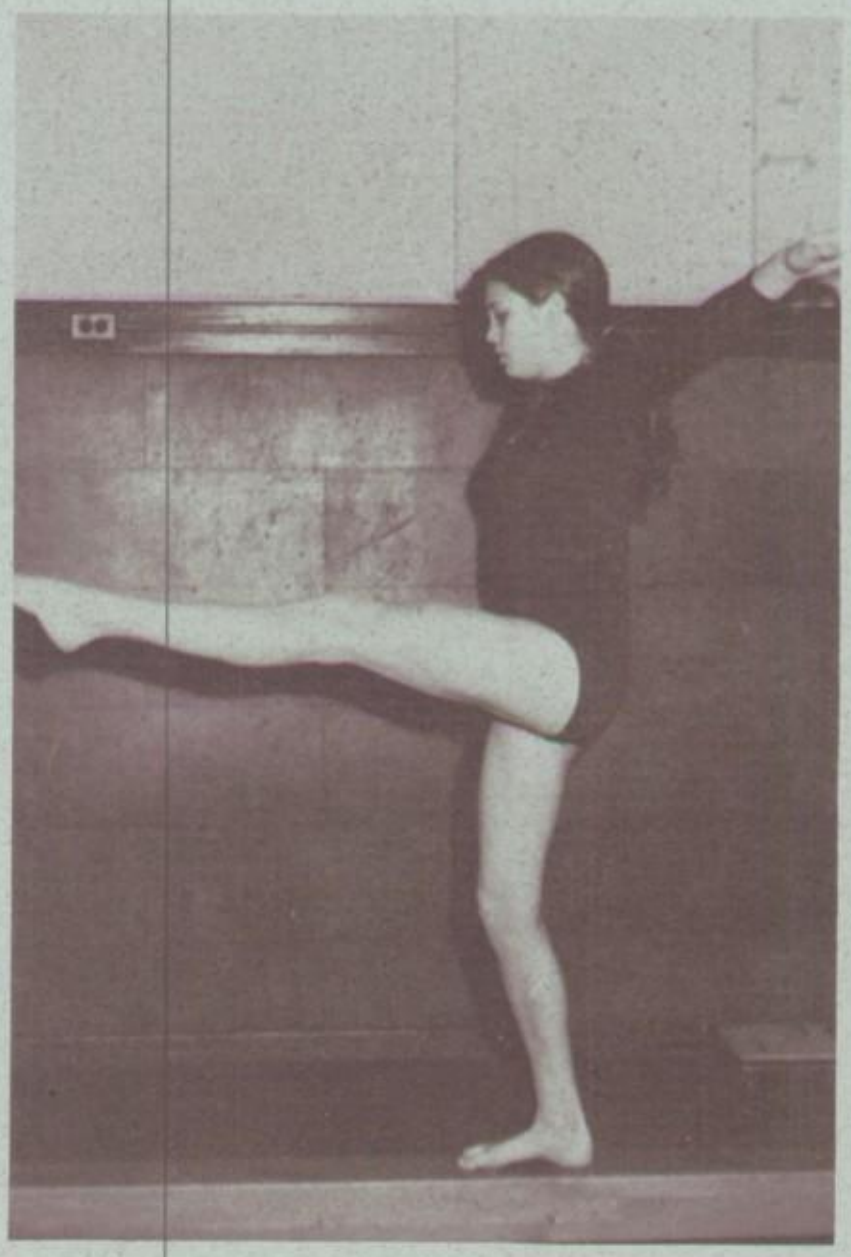
We don't want color lines -- not even imaginary ones -- no black, no red, no white.

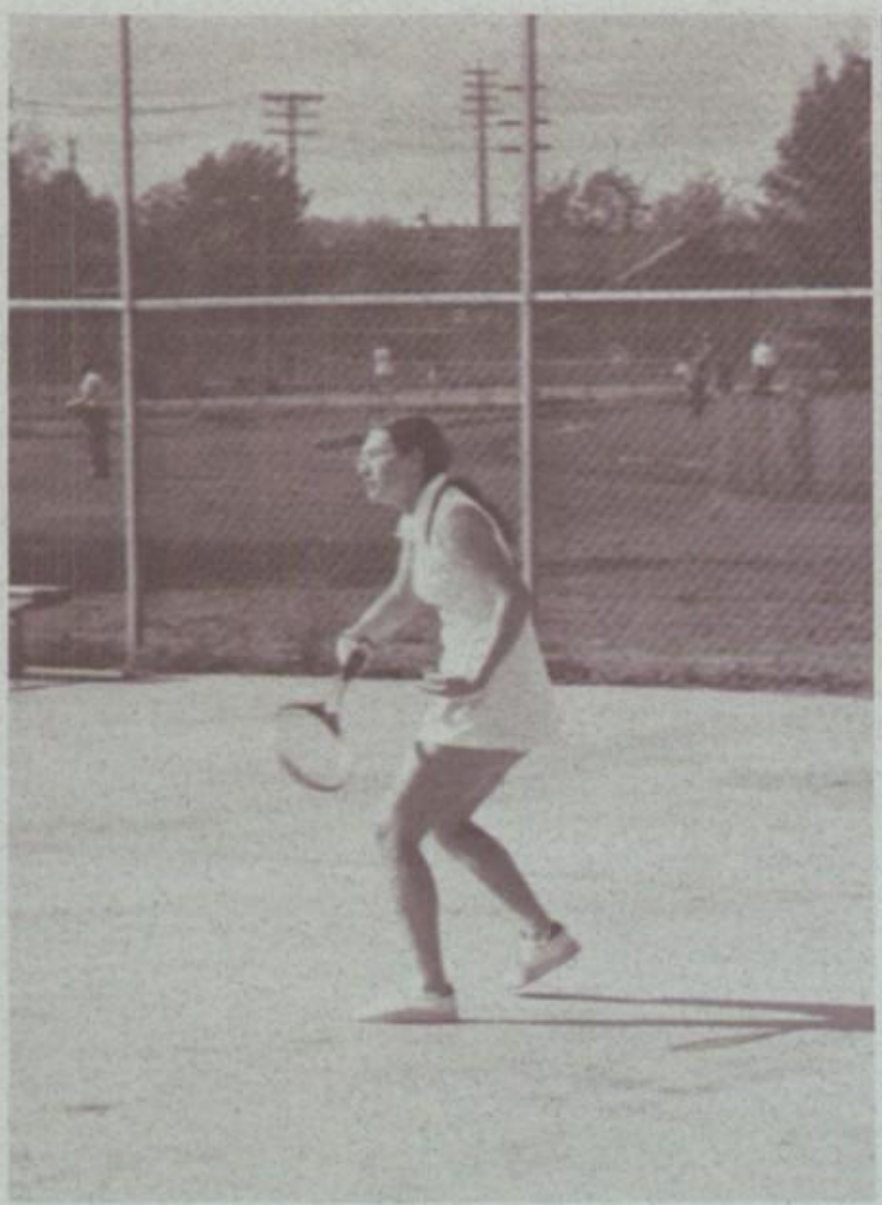
We don't want our phones bugged, nor people cheating on welfare, nor protection agencies frightening our stores.

And we don't want higher taxes and more government programs. We don't want the dollar to shrink anymore.



Men And Women
Progress Together
Or Not At All.
— Gloria Steinem





I don't want "equality" with men or anybody else. I want something much more. I want recognition of my value and uniqueness as a person -- not a woman. I want opportunity to perform creative work. I want full freedom and cooperation to evolve as a human being, to gain wisdom and knowledge.

-- Gene Knudsen Hoffman

The threat is never simply from technology; machines are neutral. The threat is people capable of treating other people as machines.

-- Phillip Jackson

TO ALL THE CHILDREN OF EARTH

YOU shall live in harmony with all the earth and with every living thing.

YOU shall return to the earth all the organic treasures which she freely gives to you.

DO not put greed above duty, nor wealth above wonder.

DO not demand useless things or trade for unnecessary things.

EVERY man shall have his fair share of the earth and no more.

YOU shall fight to protect the earth; it is your home.

BE masters of technology and not its slaves.

YOU shall make beautiful and enduring whatever is to be made.

YOU shall keep faith with future generations and be wise guardians of their inheritance.

WHEN all this is done, come together with all your brothers and sing of the joy of life.

These are the commandments of the New Earth.

WASHINGTON — (AP) — If you don't want all those advertisements cluttering up your mail box, then advertisers don't want to send them to you. They can't affort it.

Postal Service figures show that third-class bulk mail has decreased in each of the last two fiscal years after rising steadily since fiscal 1961.

And largely because of increasing postal rates, advertisers are more than willing to take your name off their lists.

"If you don't want advertising mail, then you can write to us and we'll send you a form that will enable you to get your name off mailing lists," said John Jay Daly, senior vice-president of the Direct Mail-Marketing Association.

Restrictions to avoid Mideast war role studied

WASHINGTON (AP) — Congress if considering adding restrictions aimed at preventing U.S. involvement in a Mideast war to its approval of U.S. technicians to monitor the Sinai peace accord.

One restriction, proposed by Sen. Frank Church, D-Idaho, would be to pull out the technicians if war erupts. The second would enable Congress to withdraw the technicians at any time.

Chairman Thomas E. Morgan, D-Pa., of the House International Relations Committee said House and Senate staff aides are working on language for the two proposals and Church's office confirmed that Senate aides are drafting language for both proposals.

HOMECOMING '76

Homecoming Celebration started with the Sr.-Jr. girls football game and the seniors breaking tradition by winning 44-12. A float was made by the seniors, something N.H.S. hasn't had in a long time. Special guest at the assembly was Scott Garceau. When Russ Jokinen finally opened the envelope, everyone cheered as returning Homecoming Queen Colleen Richards crowned the '76 Queen, Lynn Koski. The football team topped off the week with a tough win over Newberry 9-8.

We May Never Pass This Way Again . . .

The place was the N.M.U. Great Lakes Rooms; the date was May 3, 1975. The event was the Dinner Dance for the class of 1976. Burnt orange and yellow crepe paper and matching flowers helped set the scene. Lynn Koski was the decorating chairman. The junior class officers, Pete LaFreniere, John Johnson, Cheryl Rinne, Jean Mitchell, Lynn Koski, Renee Prusi, Judy Renaldi and advisor Mr. Don Campbell made the necessary arrangements. Approximately 225 people attended. Punch provided the music that made the May evening perfect for all.

Pioneer: The Book Sellers

Dale does some shooting

What does good salesmanship have to do with publishing yearbooks? Ask any of the staff of the 1975 yearbook. One important element of publishing yearbooks is money. Money to pay for books, films, and pictures. Money earned by selling stationery, pens, and candy bars. The most important things that the staff sells are ads and yearbooks. This year is tops in the selling of ads. Mary Jo Paris was the top seller at 150 books. The other important element is a good editor, such as Renee Prusi. She and her hard working editorial board and a staff with them. Started in August to bring together a book. That would give an honest picture of NHS in 1975-76.

So they recruited Mike Kunnari and Marilyn Bridges and Mimographer Kelly Method and 35 other students from 7-12 grade. And what they willed, they did!

Peripheral Vision publishes 16 times during the school year. It serves many purposes. The paper is an idea exchange, a polling Media, a news dispenser and a show case for Student writing. It asks questions and answers and makes people feel good.

Mixed Chorus

Just about everyone is celebrating America's Bi-Centennial and the Negaunee High School Mixed Chorus is no exception. By coincidence there are 76 members in the group. The chorus put on a Christmas concert entitled, "Christmas in America." The mixed singers have a busy second semester with extra centennial programs along with the annual spring concert and festival.

The N.H.S. quintet is a select group of five singers and an accompanist. Their primary function is to entertain the public at Christmas time. Among these singers is the chorus president Kevin Wickstrom.

Eight of Negaunee's singers were honored by being chosen for the U.P. Select Chorus. Northern Michigan University sponsors the group whose major goals are touring the state and presenting concerts at N.M.U.

One of the biggest scene stealers at the concerts is the Girls' Chorus. They, who number about 90 girls, participate in many of the same things as the mixed chorus does. The unique thing about them is that they meet in two groups. The largest part of the group meet during 5th hour every day and the rest of the group meet during noon hours on Monday, Wednesday, and Friday.

Concert Orchestra

An extra attraction to the concert that the Orchestra performed in January was local dancers who performed to numbers written by Jim Croce and to selections from WEST SIDE STORY. The Concert entitled "Encounter With the Arts," also displayed art work done by Negaunee High School students. The concert was dedicated in memory of Mr. Richard Morrison. The Concert Orchestra includes all of the Senior High Orchestra and selected band members from the Senior High.

Seven Senior High Orchestra members were chosen to be participants in the U.P. Orchestra.

Stage Band

After careful consideration by Mr. Anderson, 20-24 members are selected for the Stage Band. These people are mostly brass and percussion players from the Senior High Band. Interest in learning more about jazz and jazz improvisation are the major goals, but they also perform in concerts. The players meet during after school hours usually Monday nights.

Senior High Band

Since Mr. Anderson joined the music staff at NHS, the Senior Band has tried some new and different things. During football season there was a "greaser" night. All of the band members dressed like the fifties. One of the major goals is to go to Chicago in April of this year. There have been many fund raising techniques, one of the most successful was a food raffle. To celebrate the Bicentennial the band will perform a combined concert with the chorus and orchestra in May. Because many of the students' schedules are busy ones, not all of the senior band members can participate in the Variety Band, proclaimed as one of the best in the U.P.

I just can't get them together.

As seventh graders practice is the key word. This is where they begin playing real band literature. Excitement is present here because of all the student's enthusiasm. Eighth graders continue to grow musically by playing a bigger variety of band music. Practice is still an on-going factor.

Mr. Anderson feels that the first three years as band members are the most important because this is where the seed of musical growth is planted. During high school years students find less time to devote to practice. Learning to practice in early years will get them into the habit of practicing in later years.

Library Helpers —

TO HELP YOU HELP YOURSELF

During study halls volunteer students work in the library. If you can not find what you are looking for just give a yell and these people can help you. Routine work like mending books, helping people find references, and checking books are just a few of the chores these students do. A bulletin board prepared by these people tells you about the many new books the library receives. Magazine sales are a must because new books are needed and you need money to get them. Miners

Sports.....

Bettering last years 5-4 record, the Miners posted a 6-3 season this year and took third place in the G.L.C. The team got off to a slow start, losing their first two games, but came back strong to win five in a row before falling to Marquette. The next week in the Play-off they beat Newberry 30-28 to take third place.

Coach Koski guided the team with the help of his assistants Coach Ellis and Coach Campbell.

Negaunee had nine players honored in the G.L.C.
First Team: Ross Gleason, Tom Heiskanen.
Second Team: Phil Gleason, Rich Juidici, John Vercoe.
Hon. Mention: Dean Ellis, John Johnson, Pete LaFreniere, Jon Wakkuri.

In the U.P. these five players were honored: Andy Prusi, Rich Juidici, John Vercoe, Ross Gleason, and Tom Heiskanen.

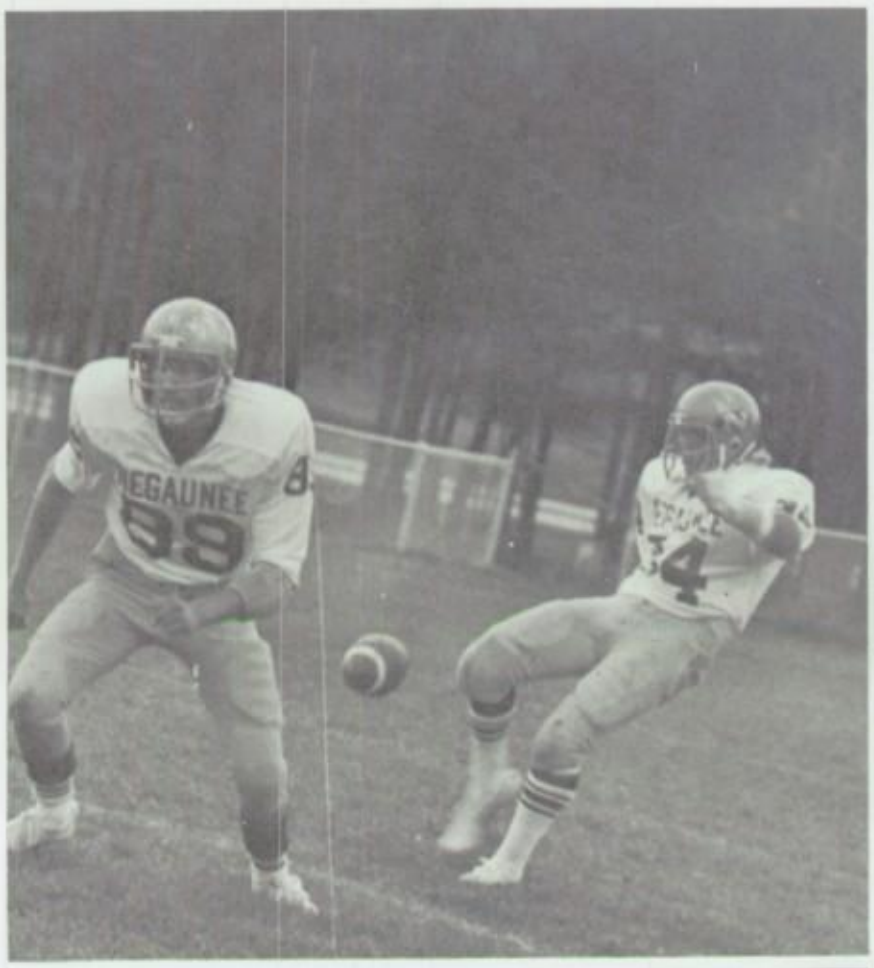
Miner Varsity



The JV's won the Great Lakes Conference Title in the final year of the Conference. Along with the title, the JV's compiled a 7-2 record. The final contest, and final G.L.C. game for Negaunee was with the Newberry Indians for the Conference Title, a hard fought game which had Negaunee come out on top 14-6.

It was a successful finale for an aggressive, hard working ball club and an exciting finish for a long time conference.

Coaching the JV's and concentrating on solid fundamentals, were Les Coduti and assistant David Johnson. The coaches and fans are confident the JV's advancement to the varsity will be a successful one.

MINERS TAKE M-PC TITLE

The Negaunee Miner Varsity finished the year 19-1 on the season and 12-0 in the new Mid-Peninsula Conference to take the conference championship.

Leading the team in scoring this year was Dean Ellis with 375. Next in line for the scoring title were John Vercoe with 283, and Phil Gleason with 187. The leading rebounder was John Vercoe with 221. Following John on the boards were his brother Chuck with 150 and Phil Gleason with 149. The high assist men were Dave Laitinen with 85, and Chuck Vercoe with 78.

The team was ranked no. 1 in the U.P. all year and no. 1 in the state for three weeks.

Chuck Vercoe missed six games due to a broken foot and our only loss came during this period. Overall, Negaunee averaged 72.4 points per game against the opponents 54.4.

Pride of the U.P.!

Finishing the regular season with the best record in the Upper Peninsula at 19-1 the Negaunee Miners were the choice of many local basketball fans to do well in post season play. These fans were not disappointed as the Miners were again the "Pride of the U.P." in 1976.

DISTRICT ACTION

In the first game of the districts at Westwood, the Miners had an off night from the field, shooting only 37% against the Munising Mustangs. Nevertheless, the team triumphed over the 'Stangs 54-38. Leading the way for the Miners was John Vercoe, who scored 15 points and collected 18 rebounds.

Tickets for the district finals were sold out in about 40 minutes, a pattern that was to continue throughout tournament play. Westwood High was the Miners' opponent in this game, and the Patriots had given the team a scare during their first regular season encounter. But the Negaunee squad was ready, whipping the Patriots 66-45. The Miners had a balanced scoring attack with Dean Ellis taking the honors with 22. Ellis also played a fine defensive game, contributing seven steals. Collecting 13 rebounds was John Vercoe. The jubilant Miners were now ready to head east to Northern Michigan University and the regional tournament.

REGIONAL ACTION

As they went into the regionals, Hallgren's men were awarded the Rudness Trophy for an unprecedented third straight year. This vote by the Upper Peninsula Sportswriters and Sportscasters signifies that a team has been the most outstanding in their enrollment division during regular season play.

So when the Miners played the Norway Knights at Hedgecock Fieldhouse on a snowy March evening, they were expected by many to win handily. That they did as Negaunee dazed the Knights 68-55. Four of the five starters were in double figures: Dean Ellis scoring 18, Phil Gleason 14, Dave Laitinen 11, and John Vercoe 10.

Manistique was the Miners' opposition in the regional finals, making the game a rematch of the previous year's U.P. Championship. The evening was a sweet success for Negaunee as they posted a 64-39 victory over the Emeralds. Senior center Phil Gleason played an outstandngg game, scoring 21 points and hauling in eight rebounds. Seniors Chuck Vercoe and Dean Ellis contributed 13 rebounds and 16 points respectively. (These three players were named all-tournament squad, with Gleason being named as outstanding player of the tournement.) The Miners carried Class C Coach of the Year Dave Hallgren off the floor, enjoying the excitement of being U.P. Champs for the second consecutive year.

STATE QUARTERFINAL ACTION

The Roscommon Bucks (18-7) were the first team the Miners faced in downstate play. Cheboygan High was the site of the game, and that gymnasium had become familiar to NHS supporters, for this was the third time in four years that their team played there.

Thursday, March 18 turned out to be Chuck Vercoe's night. The 6-3 forward scored 20 points and collected 12 rebounds to lead Negaunee past the Bucks, 66-40. Senior guard Dave Laitinen also had a good evening, scoring 10 points and playing tough defense.

STATE SEMI-FINAL ACTION

Now the Miners were the only team from the U.P. left with a shot at the state championship, (because all other U.P. squads lost in the semis.)

The undefeated Unionville -Sebewaing Area Patriots were Negaunee's next opponent. Patriot and Miner backers packed into the sweltering Traverse City gym.

Trailing by six at the half, Hallgren's team fought their way back to go ahead 44-39 at the end of the third quarter. The final quarter was a see-saw battle with the turning point coming on a three-point play by Phil Gleason with a minute and a half remaining. Half a minute was left on the clock when "Sixth man" John Johnson cooly sank two free throws to assure the win for Negaunee, 55-51. Game scoring honors went to Chuck Vercoe, with 23, with brother John dominating the boards.

So for the first time in 19 years, the Miners were headed for Ann Arbor and state final action.

STATE FINAL ACTION

After a big sendoff, the team travelled south to begin final preparation for their last game. (They went knowing that they had support across the Peninsula.)

Ann Arbor's Crisler Arena was to be the site of the encounter between Negaunee and the Buchanan Bucks for the State Class "C" Championship. Tom Pellow, Mining Journal sports editor, termed the contest "a dream game" with the once defeated Miners playing the undefeated Bucks. Both teams had all state players (Chuck Vercoe of Negaunee and Ken Garrett of Buchanen), award winning coaches and tremendous fan support.

At the final buzzer, it was Bucks 57-50, but the Miners had much to be happy about. They held their high scoring opponent, who had averaged 95 points in other tournament play, to just 57 points and were in the game to almost the very end.

Scoring honors for NHS were shared by John Vercoe and Dean Ellis, who chipped in 15, while Chuck Vercoe added 12. John Vercoe's sixteen rebounds was high for both teams.

Closing the season with a 25-2 record, the squad had more victories than any previous Negaunee team. It was an exciting season, with the Miners gaining the respect of sports fans throughout the state, as shown in their many awards.

Gymnastics in Negaunee is now in its third year. It is a sport where you use the basic laws of nature to perform. However, this is not as easy as it sounds. It takes years of hard work and practice, practice, practice!

Although the team didn't win many meets this year, many individuals have come a long way and the future is bright. Among those girls winning in competition were Cindy Shaffer, Sue Garlick, Linda Nemetz, and Helen Hansen.

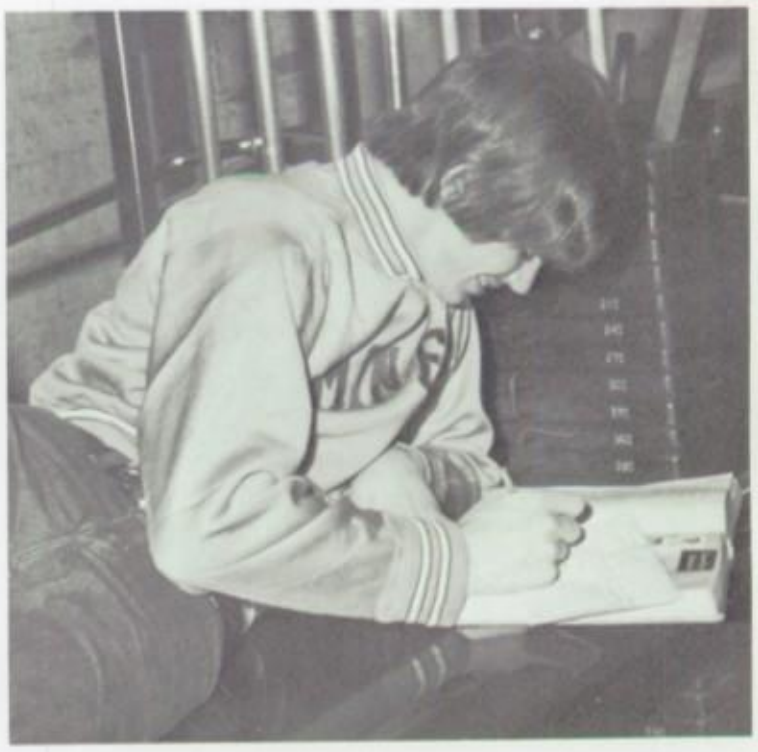
MINER MATMEN

Champion Takes Second In U.P.

Wrestling has now completed its fourth year at N.H.S. and is still in its growing stages. The team was coached by Mr. Campbell and Howard "Chum" Hobson III, a 2-time state champ and a 2-time All-American. The Miners were 5-7 in dual meets but made an impressive showing in tournaments.

In the M-CP tourney Eric Kestila won the 112-lb. class and we had many seconds and thirds. The team placed fifth. At the U.P. touney, Randy Champion placed eleventh out of 19 teams.

Varsity Award winners were John Weber at 98 lbs.; Rick Champion at 105; Eric Kestila and Kevin Ericson at 112; Barry Hosking at 199; Randy Champion at 132; and Bob Marcotte at 145.



BACK: Mary Koskey, Kelly Method, Sue Garlick, Lynne Field, Renee Pascoe, Linda Parkkonen, Betty Gero, JoEllen Collins, and Carol Lehto. FRONT: Coach Judy Williams, Teresa Pelkie, Sarah Kemppainen, Cindy Schaffer, Debbie Saari, Linda Nemetz, Cathy Ostwald, Martha Mendelsohn, and Susie Hallgren.

Track

Coach Judy Williams sent all of the relay teams to Iron Mountain for the regionals. Attending the finals in Marquette were: Jan Trewhella (shot put), Betty Collick (440 dash), Cheryl Rinne (long jump) and Diane McNamara (two-mile run). The '76 team will look forward to a fine season for only three track members graduated in '75.

CINDERMEN

Brintlinger Breaks School Record

The 1975 Track season saw 31 participants receive awards--18 Majors and 13 Minor including 1 Four-year award to Dennis Delangelo.

Co-captains for this year were Dennis Delangelo and Steve Agnoli.

Junior Kurt Brintlinger took top point honors this season with 43 points. Brintlinger also broke a school record in the Pole Vault with12'0".

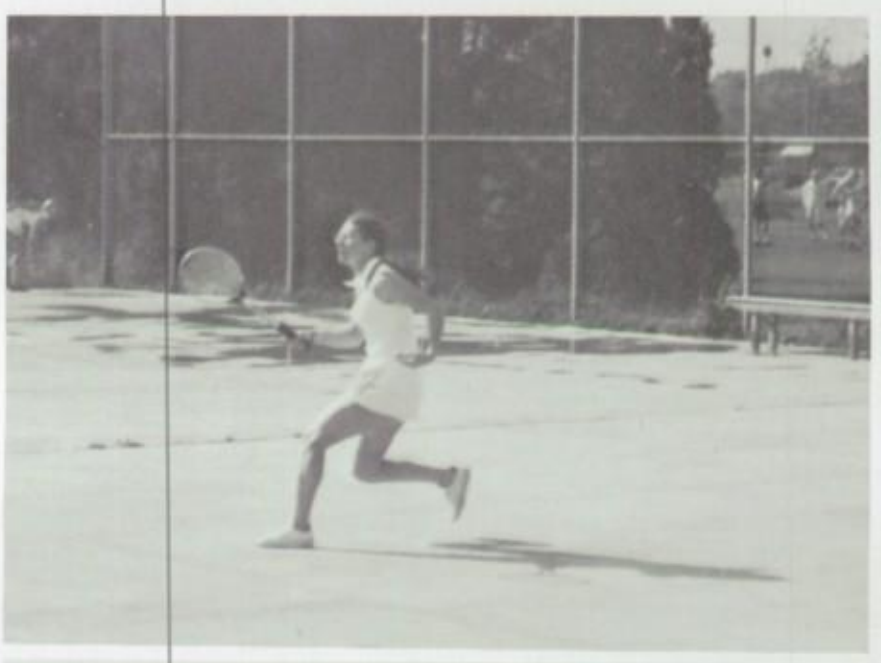
According to Coach Dick Koski, next year's team should be a winner since only 5 of this year's performers were seniors.

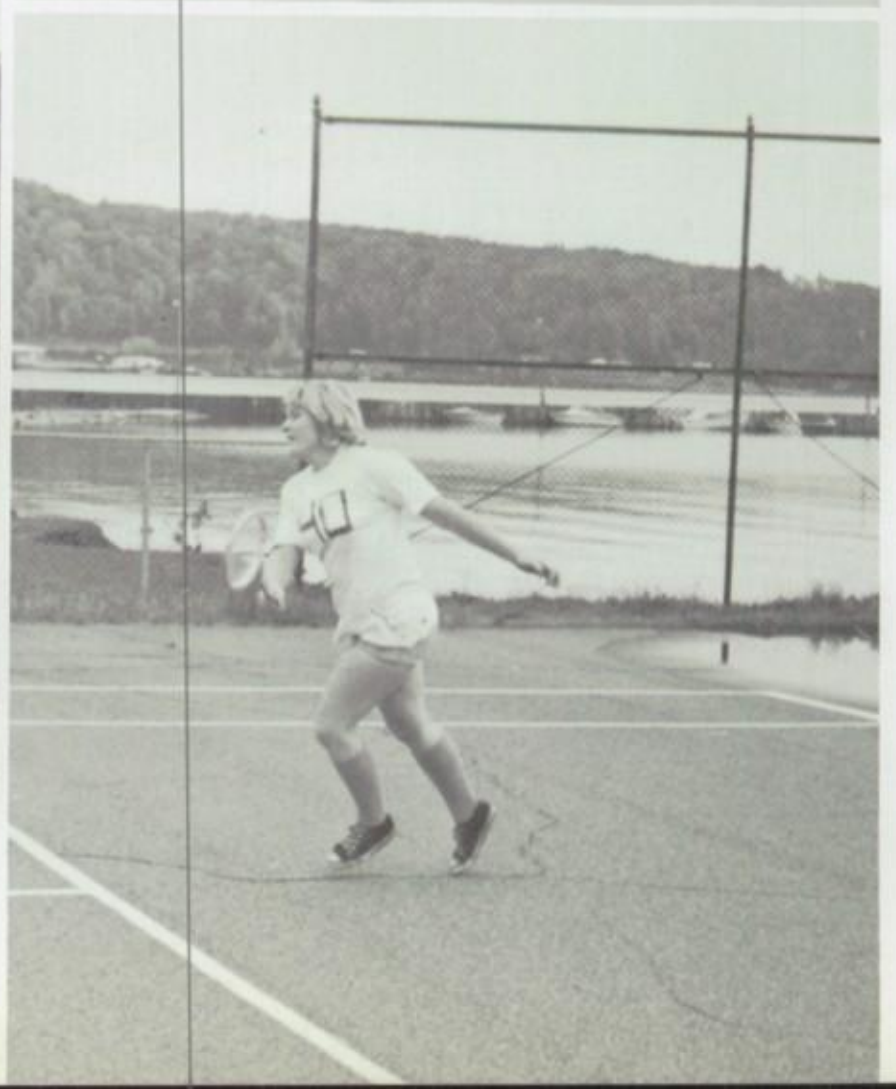
FRONT: Coach Les Coduti, Dan Hill, Tony LaForest, Jon Wakkuri, James Hakala, Bob Bero, Matt Picel, Jack Korpi, Greg Garceau, Steve Brownell, Duane Ribers, Dan Thompson, Jon Jennings, Gary Garceau, Larry Young, Dan Mattfield, Ernie Letson, Coach Dick Koski, Back Mgr. Tom Heiskanen, Dale Rogers, Pete LaFreniere, Tim Garceau, Bill Kinneunen, Dennis Delangelo, Steve Agnoli, Russ Jokinen, Kurt Brintlinger, Bob Thompson, Chuck Symons, Ross Gleason; Mark Marrson, Peter Chevrette, Stan Brownell.

BACK: Ann Watters, Ms. Jan Koehs, Lori Johnson, Helen Hansen, Pam Saari, Cathy Ostwald, and Debbie Saari.
FRONT: Renee Pascoe, Nancy Albright, Debbie Johnson, Connie Makela, Kelly Method, and Charlene Kangas.

Tennis Program

In their first year of interschoolastic competition, the 11 girls came out with a 2-6 record. The best singles competition ended in a tie between Kelly Method and Ann Watters. Best doubles competition went to Debbie Saari and Renne Pascoe.

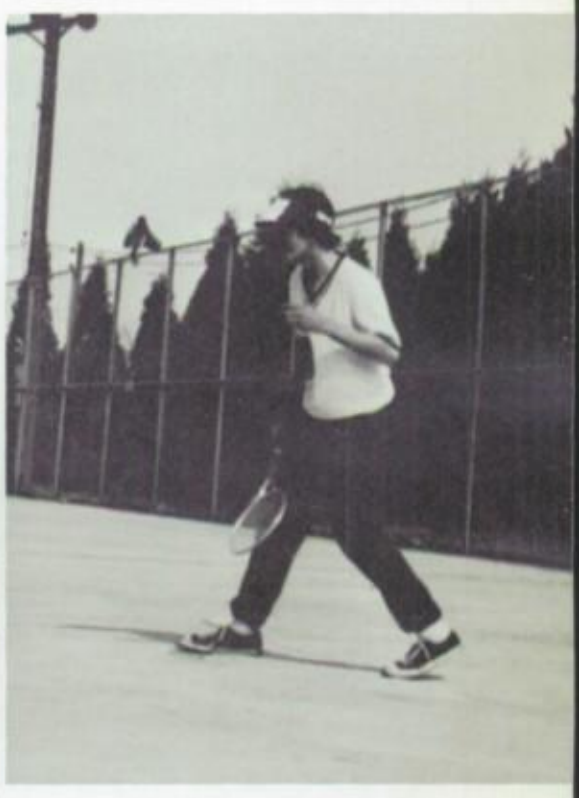




BACK: Coach Eric Prusi, Duane Peterson, Dave Laitinen, Steve Anderson, John Vercoe, Chuck Vercoe, Melvin Laurila, and Jay Matthews. FRONT: Alan Hill, Gary Price, Jay Chapman, Stu Sarasin, Lee Johnson, Phil Perlewitz, Gary Johnson, and Kevin Bessolo.

Grows In '75

Having the biggest turnout ever, the Varsity ended up with a 1-6 record in dual meets but did fairly well in tournaments. Dave Laitinen took the #2 singles championship in the Niagara Invitational, although the team finished 7th. They finished 2nd in the G.L.C. behind Class A Soo. In the U.P. tournament they placed 10th out of sixteen teams as Laitinen reached the quarter-finals before losing.



J.V. TENNIS BACK: Coach Eric Prusi, Mark Pynnonen, Paul Villa, Scott Palm, John Warren, Mike Uren, Paul Mitchell, and Shawn Wichstrom. FRONT: Brad Taylor, Mike Niemi, Bob Spear, Ray Miller, Myron Karno, Mark Arrieri, and Dave St. Arnaud.

STAND UP . . . BE PROUD . . .

Athletics would not be the same without the cheerleaders. This year's Varsity squad has Debbie Pelkie as Captain. Kelly Method is the only newcomer to the Varsity squad: she acts as substitute. All of the regulars have cheered before. Along with the Tri-Hi-Y, they sponsored the annual Homecoming dance. Memorial Gym is always decorated with posters that the girls make themselves. The fund raisers helped in buying new traveling sweaters for the Varsity. Captains for the other squads are Christine Koski-JV, Pamela Saari-Frosh, Carrie Mourand--8th Grade and Jill Annelin 7th Grade.

STUDENT COUNCIL

With Miss Miller as their adviser, the members of the Student Council followed the principles set down in the NHS Student Council Constitution to serve both the Student Body and community.

Conducting locker inspections, acting as guides for parent-teacher conferences, and collecting food at Christmas for the needy, were just a few of the activities of the Student Council.

By working in conjunction with the administration, the Student Council helped to meet the student needs.

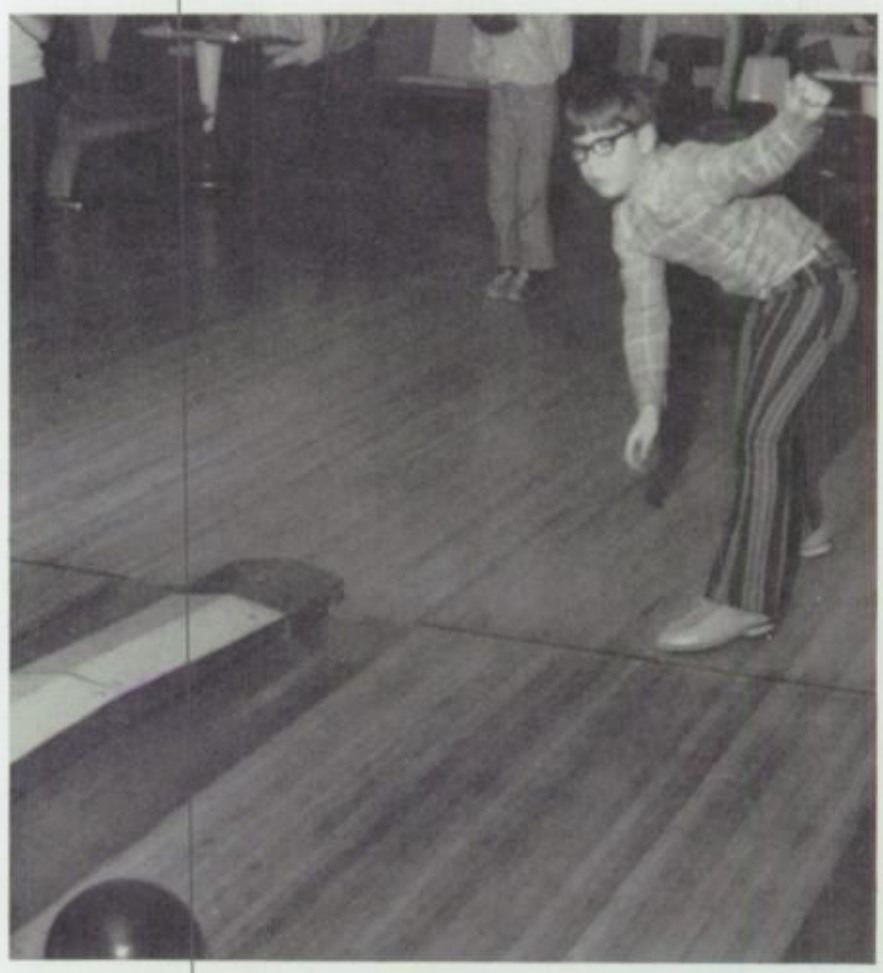
YOU CAN WITH COMMUNITY EDUCATION



Community Schools are offering a variety of night classes of which Psychology and Weather and Map reading are the newest. Not only does Community Schools offer night classes but also Enrichment classes, such as Early American Skills, an introduction to Oceanography and a Couples Club which meet one night a week.

Community Schools are active in education but they are also active in recreation. This year they offer many new things such as a father and son swim, Bicentennial sewing and gourmet cooking. Jim Manley succeeded Don Mourand as director.

Seventh Grade

Consisting of 160 students, the seventh grade sees more and more new things. From their one-room classrooms, they find themselves in an old school where climbing and descending steps is a way of life. Class parties, new classes, and many more people make this an exciting year. For the first time, seventh graders sold Miner T-shirts for a class money-making project. Mrs. Miller is class adviser.

What Next?

Looking Forward to a future of working and family life --this year's senior class chose classes to prepare them for life after high school. Co-op, business courses, Home Ec, and shop classes were picked by students planning on working, marriage, or trade school after High School. Some Seniors took advantage of classes offered at N.M.U. while others took classes to prepare them for college.

Another word for Graduation is Commencement. And that might be a good thing for graduates to keep in mind as they receive their diplomas.

It's no accident that the most successful men in history looked upon themselves as life-long students. They never thought of themselves as graduating, but only as commencing to learn. One of them—Goethe—put it rather well:

Are you in earnest? Seize this very minute:
Courage has genius, power, and magic in it.
Only engage, and then the mind grows heated:
Begin it — and the work will be completed.

With best wishes to those who are commencing . . .

PIONEER — A LAST WORD

Karin--Editor in 1977

First and last our thanks to all the people who stood still to have their pictures taken. And to Dale Rogers who took so many of those pictures. We are proud of Karin's division pages, the long hours of Renee, Dona, and Steve. The endless typing that Susie Hallgren found time for. And we are especially proud of the many fine things that Negaunee students did, for that's what makes each book unique.
